Nava Durga Idols

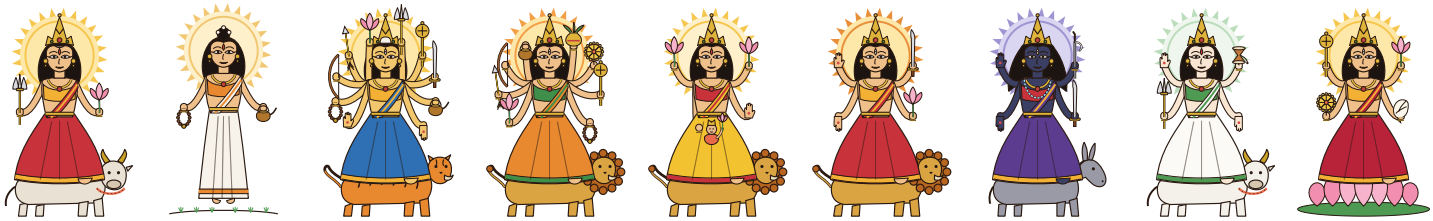

Nine stand-up idols of the forms of Goddess Durga, one for each night of Navaratri (October 11–19, 2026). This packet has three parts:

1. **Color idols** (pages 2–10): print in color, cut out and stand.
2. **Coloring idols** (pages 11–19): print in black and white, color them in, then cut out and stand.
3. **Mini idols** (page 20, color, and page 21, coloring): all nine on one sheet for a small table-top display.

How to make them stand

1. Print on card stock or heavy paper at 100% scale (“actual size”).
2. Cut along the outer edge of the arch and around the white stand flap.
3. Fold the flap backward along the dashed line until the idol stands. A strip of tape between the flap and the back of the card makes it sturdier.
4. Arrange them in order, Day 1 to Day 9, like a Golu step display, and set out one more each night.

Remember the order with the Devi Kavacham verse: *Prathamam Shailaputri cha, dvitiyam Brahmacharini, tritiyam Chandraghanteti, Kushmandeti chaturthakam, panchamam Skandamateti, shashtham Katyayaniti cha, saptamam Kalaratriti, Mahagauriti chashtamam, navamam Siddhidatri cha, navadurgah prakirtitah.*
